This Agreement is entered into by and between **The City of Daytona Beach, Volusia County, Florida**; hereinafter referred to as the "City" and the **Florida State Lodge Fraternal Order of Police**, hereinafter referred to as the "Union."

ARTICLE II - RECOGNITION

The City recognizes the Union as the exclusive bargaining agent for all employees in the job classification included in the applicable PERC Certification, Certification number 1750. All other persons specifically excluded by the aforementioned certification shall not be included in the bargaining unit and shall not be covered by the terms of this Agreement. The bargaining unit covered hereunder, therefore, shall be as follows:

INCLUDED: All full-time Police Lieutenants.

EXCLUDED: The Police Chief, Deputy Police Chiefs, Police Captains, Police Sergeants and Officers, Public Information Officer, Administrative Aide (Sergeant) to Patrol Captain, Professional Standards Personnel, Civilian (non-sworn) Personnel, Police Chaplain, and all other employees of the City of Daytona Beach.

ARTICLE III - APPENDICES AND AMENDMENTS

3.1 Appendices and Amendments (if any) to this Agreement shall be lettered or numbered, dated, and signed by the parties, and shall constitute part of this Agreement.

ARTICLE IV - NONDISCRIMINATION

4.1 The parties agree that they will not discriminate against any employee because of race, color, sex, national origin, religion, marital status, disability, age, or any other factor violative of applicable state or federal law. Nothing herein shall restrict the City from taking any action to promote or implement equal employment opportunity and affirmative action in accordance with applicable law.

4.2 The Union and/or its individual members will not discriminate against or harass any employee who does not choose to become a member of the Union.

4.3 There shall be no discrimination, interference, restraint, or coercion by the City against any employee for his activity on behalf of, or membership in, the Union.

ARTICLE V - GENDER

5.1 If the pronoun "he" is utilized in this Agreement, such pronoun shall refer to persons of either sex.

ARTICLE VI - DUES DEDUCTION

6.1 The City agrees to deduct Union dues from bargaining unit employees' wages on a bi-weekly basis for the term of this Agreement.

6.2 The City shall remit monies so collected to the Union at the following address; Fraternal Order of Police, 242 Office Plaza, Tallahassee, Fl. 32301.

6.3 The Union shall notify the City of any change in the amount of dues to be deducted at least thirty (30) days in advance of any such change in the amount of deduction.

6.4 Deductions hereunder shall be pursuant to a properly executed FOP dues deduction form that is attached as appendix #1.

6.5 Any member of the Union may, on thirty (30) days written notice to the City, require that the City cease making deductions from his/her wages. The City shall forward a copy of such written notice to the Union.

6.6 The Union agrees to indemnify and hold harmless the City, its agents, employees, and officials from and against any claims, demands, or causes of action (including, but not limited to, claims based on clerical or accounting errors caused by accident or unintentional mistakes) of any nature whatsoever, including reasonable attorney's fees, asserted by any person, firm, or entity, based on or relating to any payroll deduction required or undertaken under this Article.

ARTICLE VII - WORK STOPPAGES

7.1 There shall be no strikes, work stoppages, slowdowns, mass resignations, sickouts, or other job actions or refusal to perform assigned work by the employees covered under this Agreement.

7.2 It may be a violation of this Agreement for any employee, while on duty, to fail or refuse to cross or pass any picket line or other demonstration if such failure or refusal in any way delays or interrupts performance of work.

7.3 The parties agree that any employee who participates in or promotes any of the aforementioned activities may be discharged or otherwise disciplined by the City. Nothing herein shall restrict the City from levying different disciplinary actions against different employees based on their involvement in activities prohibited hereunder.

7.4 The Union recognizes that the City and the employees covered hereunder are responsible for and engaged in activities which are the basis of the health and welfare of the City's citizens and that, therefore, any violation of this Article would give rise to irreparable damage to the City and the public at large. Should there be any alleged violation of this Article, the Union shall promptly take appropriate action to remedy the situation. For the purpose of this Article, it is agreed that the Union may be responsible and liable for any act by its agents, representatives, and/or officers, which act constitutes a violation of this Article.

ARTICLE VIII - EMPLOYEE DISCIPLINARY PROCEDURES

8.1 The City may, as provided for in other Articles of this Agreement and City, Departmental and Divisional Policy, discipline employees as required. The Grievance and Arbitration Procedure hereunder shall be the exclusive procedure to contest disciplinary action. The City's appeals procedure shall not apply (or be available) to bargaining unit employees hereunder.

8.2 All employees covered hereunder shall be subject to City, Departmental, and Divisional Rules and Regulations.

8.3 Employees shall have the right to request Union representation at all meetings with management in which disciplinary action to the employee may result. Interrogations of employees under investigation for conduct in which disciplinary action may result shall be in accordance with the Florida Law Enforcement Officers Bill of Rights.

8.4 Prior to any suspension or termination, an employee shall be advised of the allegations against him/her and be provided with an opportunity to respond to such allegations to a member of the Command Staff (i.e., lieutenant or above). In any meeting with a member of the Command Staff to respond to such allegations, the employee, if he/she requests, shall be allowed representation. Any findings or recommendations made by said Command Staff member shall be forwarded to the Police Chief before any final decision on the suspension or termination is made.

8.5 There shall be no disciplinary action or other paperwork entered into an employee's personnel file without the employee being made aware of such action by written notice. Upon request, the City shall provide the employee with a copy of any notice or report of disciplinary action placed in the employee's personnel file.

8.6 No disciplinary action shall be taken against an employee unless and until the employee is so notified.

8.7 No written warning or written reprimand which is over two (2) years old will be used in the determination of further disciplinary action if the employee has received no disciplinary action for the entire two (2) year period.

8.8 Written warnings and written reprimands two (2) years old or less and any more severe disciplinary action (discharge, suspension, demotion, etc.) may be used without any restriction in determining further disciplinary action.

8.9 Probationary periods shall be for six (6) months. The probationary period shall be extended for the amount of time necessary to provide active work time equal to a full probationary period when an approved leave, i.e., military leave, FMLA, and/or light duty, for a period of over thirty (30) days, has prevented an employee from actively working the full

probationary period. Said employee shall be notified in writing by the City of any such extension.

8.10 Upon dismissal of a permanent employee (Lieutenant) during or at the end of a probationary period, the employee shall be returned to the most recent classification which the employee held.

8.11 An employee who has completed the applicable probationary period and who has not received a written notice of dismissal shall be deemed to have successfully completed his/her probationary period and shall be granted permanent status as a Lieutenant.

ARTICLE IX - SENIORITY AND LAYOFFS

9.1 Seniority shall be defined as the length of continuous service in the City calculated from the date of employment with the City of Daytona Beach Police Department as a full time sworn police officer.

9.2 Seniority with regard to classification/rank shall be defined as the length of continuous service in that specific classification within the Police Department calculated from the date of appointment to that classification/rank. The only exception shall be that if an employee served in a higher classification/rank and was subsequently demoted (voluntarily or involuntarily) to a lower classification, seniority with regard to that lower classification/rank shall be calculated from the date of the employee's original appointment to that classification/rank.

9.3 Seniority shall be terminated upon separation from the City. Employees with the same employment date or promotional date shall be assigned their seniority date in order of their ranking on the eligibility or promotional list, whichever is applicable.

9.4 Seniority shall accumulate during periods of absence where the employee remains in pay status. Seniority is not terminated when an employee is on an approved leave of absence without pay; provided, however, that seniority shall not accrue during any period in which the employee is not in paid status.

9.5 In the event there should be a need to lay off employees in the bargaining unit, such layoff shall be governed by the following:

- A. The City shall establish a Retention Register for each bargaining unit classification (e.g., full-time police lieutenant) affected by the layoff. All employees occupying positions in the affected classification shall be placed on the applicable Retention Register according to the number of consecutive years of service with the City and according to current efficiency ratings. One point for retention shall be allowed for each consecutive year of recognized seniority in the competitive service of the City and points for grades on current efficiency (performance evaluation) ratings shall be added as follows: Satisfactory (1/2) one half of a point; Unsatisfactory (zero) no points. As each position is abolished, the employee lowest on the Retention Register for the classification in which that position falls shall be removed from employment in that classification.
- B. Two (2) weeks advanced notice will be given to any employee in the event of layoff. The Union will be provided copies of notices of layoff of bargaining unit employees.
- C. All other details concerning lay-off procedures shall be governed by existing City and Departmental Rules and Regulations.

9.6 Bargaining unit employees laid off in accordance with this Article shall be subject to recall as follows:

- A. Bargaining unit employee laid off in accordance with this Article shall be granted first consideration for a vacancy in a Departmental classification for which they are qualified. The order of recall shall be according to total consecutive years of City service and efficiency (performance evaluation) ratings earned in the classification occupied immediately prior to the layoff (i.e., standing on the applicable Retention Register).
- B. In the event of recall from layoff, the City shall notify the recalled employee by telephone and by certified mail or hand-delivery to the last address in the employee's personnel record. Any employee who fails to notify the City of his/her intention to return to work within fourteen (14) days of initial attempted delivery by certified mail or hand-delivery to his/her last recorded address shall forfeit his/her seniority and recall rights.
- C. A laid-off employee shall retain recall rights for two (2) years from the date of his/her layoff.
- D. Additional details concerning recall shall be governed by existing City and Departmental Rules and Regulations.

ARTICLE X - MANAGEMENT RIGHTS

10.1 The City reserves and retains all rights, powers, prerogatives and authority customarily exercised by management, except as expressly limited or modified by a specific provision of this Agreement.

10.2 The Union and the employees covered under this Agreement recognize and agree that the City has the sole and exclusive right, except as specifically provided for in this Agreement, to manage and direct any and all of its operations. Accordingly, the City specifically, but not by way of limitation, reserves the sole and exclusive right to:

- A. Direct, supervise and maintain the efficiency of all employees and operations of the City;
- B. take whatever action may be necessary to carry out the mission and responsibility of the City in unusual and/or emergency situations;
- C. schedule and assign the work to the employees and determine the size and composition of the work force;
- D. assign overtime work to employees.
- E. determine the services to be provided to the public, and the maintenance procedure, materials, facilities, and equipment to be used, and to introduce new or improved services, maintenance procedures, materials, facilities, and equipment;
- F. hire and rehire and determine the criteria and standards of selection for employment (including minimum qualifications);
- G. fire, demote, suspend or otherwise discipline for just cause as set forth in the City, Departmental, and Divisional Rules, Regulations, Policies, and Procedures;
- H. set procedures and standards to evaluate City employees' job performance including the formulation and/or amendment of job descriptions;
- I. determine whether and to what extent the work required in its operation shall be performed by employees covered by this Agreement;
- J. create, expand, reduce, alter, combine, assign, or cease any job;
- K. merge, consolidate, expand, curtail, transfer, or discontinue operations, temporarily or permanently, in whole or part, whenever, in the sole dis-

cretion of the City, good business judgment makes such curtailment or discontinuance advisable;

- L. determine the number, location, and operation of all departments and divisions thereof;
- M. contract and/or subcontract any existing or future work for legitimate business reasons;
- N. require any and/or all bargaining unit employees to submit to an examination by a medical doctor (including a psychiatrist) based upon the reasonable belief that the employee is unable to perform any or all of his assigned job duties.

10.3 The above rights of the City are not all-inclusive, but indicate the type of matters or rights, which belong to and are inherent in the City in its general capacity as management. Any of the rights, powers, and authority that the City had prior to entering into this collective bargaining agreement, except as expressly limited or modified by a specific provision of this Agreement, are retained by the City.

10.4 If the City fails to exercise any one or more of the above functions from time-to-time, this will not be deemed a waiver of the City's right to exercise any or all of such functions.

10.5 If, in the sole discretion of the City Manager, it is determined that civil emergency conditions exist, including, but not limited to, riots, civil disorders, hurricane conditions, or any similar or dissimilar catastrophe, the provisions of this Agreement may be suspended by the City Manager during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.

10.6 The exercise of the management rights set forth above shall not preclude the Union or any employee covered hereunder from filing a grievance under the Grievance and Arbitration Procedure herein should the Union or the employee feel that the action taken by management violated a specific provision of this Agreement.

10.7 Nothing contained in this Article shall be construed to waive the Union's right to engage in impact bargaining as to the exercise of any of the management rights enumerated above where Florida law requires such bargaining. Where such impact bargaining is requested by the Union and is required by Florida law, the parties shall meet promptly to attempt to resolve the impact item. If the impact item is not resolved within fourteen (14) calendar days, either party shall be free to invoke the impasse resolution procedure under the Public Employees Relations Act. The parties hereby agree that all impasse resolution procedures must be concluded within sixty (60) days of the notice of the exercise of the management right which provided the basis for the impact bargaining request. Under no circumstances shall the Union's request unreasonably delay the City's exercise of any management right.

ARTICLE XI - GRIEVANCE AND ARBITRATION PROCEDURE

11.1 Bargaining unit employees will follow all written and verbal orders given by superiors even if such orders are alleged to be in conflict with the Agreement. Compliance with such orders will not prejudice the right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the Grievance.

11.2 A "grievance" is a claimed violation of this Agreement, including but not limited to the claim that a discharge or other disciplinary action violated a specific provision of this Agreement. No grievance will or need be entertained or processed unless presented in the manner described herein, and unless filed in a manner provided herein within the time limit described herein. A grievance may be filed by a bargaining unit employee or by the Union. In either case, the procedure to be followed will be the same. The grievant (whether it be the Union or an individual employee) and management may agree to waive Step 1 in any grievance. Grievances which are filed by the Union on behalf of the Union itself or the entire bargaining unit as a class action shall be filed with the Department Head or his designee at Step 2, within the time period prescribed in Step 1.

11.3 Grievances will be processed in the following manner and strictly in accordance with the following stated time limits.

STEP 1: An aggrieved employee or the Union shall present in writing the grievance to the aggrieved employee's Deputy Chief or his designee within ten (10) calendar days of the occurrence of the event(s) which gave rise to the grievance on the prescribed FOP grievance forms which shall be standard forms used throughout the grievance procedure. Upon receipt of the grievance, the Deputy Chief or his designee shall forward a copy of the grievance to the Department Head. The grievance shall be signed by the union and shall state: (a) The date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and paragraphs of this Agreement allegedly violated; (c) statement of fact pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The Deputy Chief or his designee shall, within ten (10) calendar days after presentation of the grievance, render his decision on the grievance in writing with copies to the grievant (if an individual employee), the Union, the Department Head, and the Human Resources Director.

STEP 2: Any grievance which cannot be satisfactorily settled with the Deputy Chief or his designee shall then be taken up with the Department Head or his designee. The grievance as specified in writing in Step 1 above, shall be filed with the Department Head or his designee within ten (10) calendar days after the due date for the Deputy Chief's response in Step 1 above. The Department Head and/or his designee shall render his decision on the grievance in writing, with copies to the Grievant (if an individual employee), the Union, and the Human Resources Director.

STEP 3: Any grievance which cannot be satisfactorily settled in Step 2 above shall then be taken up with the City Manager or his designee. The grievance as specified in writing

in Step 1 above shall be filed with the City Manager within ten (10) calendar days after the due date for the Department Head's Response in Step 2 above. The City Manager or his designee shall issue his decision in writing on the grievance (with copies to the Grievant, the Union, the Department Head, and the Human Resources Director) within ten (10) calendar days after presentation of the grievance at this step. If the City Manager or his designee deems appropriate, he may meet with the grievant, the Union Steward, and the Union Representative (non-employee) prior to issuing his decision.

11.4 If the grievant (whether it be the Union or an individual employee) is not satisfied with the City Manager's decision in Step 3 above, the union may request arbitration by hand delivery or by facsimile (with simultaneous mailing by regular mail) or by certified or registered mail of a written notice to the City Manager within ten (10) calendar days of receipt of the City Manager's written decision. Said written notice of arbitration shall include a written statement of the position of the Union (or the individual employee) with respect to the issues upon which arbitration is being sought. Under no circumstances shall the issues to be arbitrated be expanded from the issues set forth in the original grievance filed at Step 1 of the grievance procedure.

11.5 Within ten (10) calendar days from receipt of such notice of arbitration, the parties (or either party) shall request a list of nine (9) qualified arbitrators from the Federal Mediation and Conciliation Service. The Union and the City will alternately eliminate one at a time from said list of names, persons not acceptable, until only one (1) remains and this person will be the arbitrator. The City and the Union will alternate in the right to first strike names in successive arbitrations with the strike of the first arbitration panel to be determined by the toss of a coin.

11.6 As promptly as possible after the arbitrator has been selected, he/she shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the individual employee or employees involved, the City and the Union in writing. It shall be the obligation of the arbitrator to make his best effort to rule within thirty (30) calendar days after the hearing. The expenses of the arbitration, including the fee and expenses of the arbitrator, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share the cost. Each party shall be exclusively responsible for the compensation and expenses of its own witnesses and of its own representatives for the purposes of the arbitration hearing.

11.7 The arbitrator will confine his consideration and determination to the written grievance presented in Step 1 of the grievance procedure. The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this Collective Bargaining Agreement be construed by the arbitrator to supersede applicable state and federal laws.

11.8 The arbitrator may not issue declaratory opinions and shall confine himself exclusively to the grievance which is presented to him, which grievance must be actual and

existing. With respect to non-disciplinary action grievances, the party filing the grievance and requesting arbitration shall have the burden of proving that the action taken by the non-grieving party violated a specific provision of this Agreement. With respect to disciplinary action grievances, the City shall have the burden of proving that the disciplinary action taken was for cause. The arbitrator's decision shall be final and binding; provided, however, that either party shall be entitled to seek review of the arbitrator's decision in the Circuit Court. The standard of review of the arbitrator's decision on a non-disciplinary action grievance shall be whether the record evidence establishes that the grieving party proved that the action taken by the non-grieving party violated a specific provision of this Agreement. The standard of review of the arbitrator's decision on a disciplinary action grievance shall be whether the record evidence establishes that the City proved that the disciplinary action taken was for cause.

11.9 No decision of any arbitrator or of the City in any one case shall create a basis for retroactive adjustment in any other cases. All claims for back wages shall be reduced by any unemployment compensation and/or interim earnings that the grievant may or might have received during the period involved.

11.10 The resolution of any grievance by the arbitrator or by the parties resulting in retroactive adjustment, including back wages, shall be limited to a thirty (30) day period prior to the date of the filing of a grievance at Step 1.

11.11 It is agreed with respect to this grievance and arbitration procedure that:

- A. It is the intent of the parties that a grievance must be raised at the earliest possible time. Any grievance in order to be entertained and processed must be submitted in a timely manner by the grievant (whether the grievant be the Union or an individual employee).
- B. Grievances not submitted by the grievant in a timely manner shall be conclusively barred on the merits following the expiration of the prescribed time limit. Such a time barred grievance need not be entertained or processed, and only facts disputed as to timing will be the subject of any arbitration resulting from the matter. A grievance which is for any reason not the subject of a timely response by the City or by the Department shall require the grievant to proceed to the next step.
- C. Recognizing that it is in their mutual interests to resolve grievances, including those that proceed to arbitration, as expeditiously as possible but that certain delays result from factors beyond the control of the Union and/or the City (e.g., unavailability of one of the parties for legitimate reasons, schedule of the arbitrator, etc.). The parties agree to make a good faith effort to facilitate resolution of grievances (including those that proceed to arbitration) within one (1) year of filing.

11.12 Nothing in this Agreement shall prohibit the presence of a Union representative at all steps provided in this procedure.

11.13 To the extent required by law, non dues-paying bargaining unit employees may avail themselves of all of the procedures under this Article. To the extent permitted by law, the Union shall have no obligation to represent any non dues-paying bargaining unit employee or pay any legal or arbitration fees and/or costs on behalf of any non dues-paying bargaining unit employee who exercises his/her rights under this Article. If a non-member of the Union requests assistance from the Union and the Union agrees to provide such assistance, the non-member shall be responsible for all costs, including, but not limited to, arbitration fees, witness fees and costs, and all other reasonable charges incurred by the Union in said representation.

11.14 The Grievance and Arbitration procedure set forth herein shall be the sole and exclusive procedure available to bargaining unit employees to contest any alleged violation of this Agreement, including, but not limited to, any claim involving a discharge or other disciplinary action. The parties hereby agree that the City appeals procedures shall not be applicable or available to the employees covered by this Agreement.

ARTICLE XII - RULES AND REGULATIONS

12.1 The employees covered hereunder shall comply with all rules, regulations, policies, procedures and operating bulletins of the City, the Department and the Division, and any amendments thereto.

12.2 Should the City, the Department, or the Division amend or modify any of the aforesaid rules, regulations, policies, or procedures, a courtesy copy of any such new (or amended) rule, regulation, policy, procedure, or operating bulletin shall be mailed or delivered to the Union and the Union's employee representative within the Police Department at least ten (10) business days prior to implementation. Nothing herein shall restrict the City, the Department, or the Division from implementing any new (or amended) rule, regulation, policy, procedure, or operating bulletin prior to the expiration of ten (10) business days if operational necessity requires such earlier implementation.

12.3 The Union shall be furnished a copy of all current and subsequently amended written rules, regulations, policies, procedures, and operating bulletins pertaining to employer-employee relations and distributed to members of the bargaining unit.

12.4 No disciplinary action will be taken for a violation of a new (or amended) rule, regulation, policy, procedure, or operating bulletin until the passage of at least forty-eight (48) hours after dissemination to the employees. For the purpose of this Article, dissemination of such new (or amended) rule, regulation, policy, procedure, or operating bulletin shall be via electronic mail, telecommunication, station briefing, bulletin board posting, personal distribution, or any other appropriate means.

ARTICLE XIII - UNION BUSINESS

13.1 Nothing contained in the Collective Bargaining Agreement shall preclude any employee covered by this Agreement from pursuing any right or remedy available under this Agreement without representation of the Union. Further, nothing contained in this Agreement shall preclude any employee from discussing a problem directly with his immediate non-bargaining unit supervisor, or any other departmental official without the intervention of the Union; provided, however, that such non-bargaining unit supervisor or other Departmental official is agreeable to having such discussion. Any resolution made by an employee covered hereunder with his non-bargaining unit supervisor shall not set a precedent for the settlement of any other disagreement involving the same or other employees.

13.2 The City shall recognize the following Union Stewards and Alternate Union Stewards to represent bargaining unit employees as described in paragraph 13.3 below:

- (a) Lieutenants - one (1) Steward and one (1) Alternate Steward.

Written notice of the names of the Union Steward and the Alternate Union Steward shall be furnished to the Human Resources Director and the Department Head prior to the effective date of the Union Steward and Alternate Union Steward assuming their duties. Prompt written notification of changes in the Union Steward and the Alternate Union Steward shall be provided to the Human Resources Director and the Department Head. No Union Steward or Alternate Union Steward will be recognized by the City unless such written notification was presented prior to such Union Steward or Alternate Union Steward assuming his/her duties.

13.3 Union Stewards shall be permitted to process formal grievances under the grievance procedure herein while on duty; provided that this activity does not interfere with the Union Steward's duties as an employee, the duties of other employees, or any other aspect of Departmental or Divisional operations. No more than one (1) Steward or one (1) Alternate Steward shall attend a grievance meeting while on duty.

13.4 Under no circumstances shall any Union Steward leave his assigned duties to process a formal grievance under the grievance procedure herein without first obtaining authorization from his/her Police Captain or his/her designee. Such authorization shall not be unreasonably withheld.

13.5 The function of the Alternate Union Steward is to substitute for the Union Steward in the exercise of the duties set forth in 13.3 above if the Union Steward is absent or otherwise unavailable due to leave, training, work assignment, or other operational needs. Where the Alternate Union Steward substitutes for the Union Steward, he/she shall have the same rights and responsibilities and shall be subject to the same restrictions as the Union Steward.

13.6 The Union Steward and alternate set forth in paragraph 13.2 above shall each be granted four (4) working days per year to attend Union conferences, seminars, or training sessions; provided, however, that such days shall be taken as the employee's scheduled (paid)

personal leave. Leave for this purpose shall be granted only where the Department determines that staffing is adequate so that the Department will not incur any overtime costs as a result of the employee's absence to attend the Union function.

ARTICLE XIV - UNIFORMS

14.1 The City shall continue to issue and maintain uniforms in accordance with current practice. Should the City decide to change the style of the uniform, said change will be at the City's expense.

14.2 The City shall continue to supply the employees with necessary equipment in accordance with current practice.

14.3 Lieutenants will be permitted to use their assigned vehicles to travel between their home and work location on assigned duties; provided that no such vehicle will be utilized for personal use (i.e., any use other than travel between home and work location on assigned duties.) It is the Department's intention to continue this practice; provided, however, that the Police Chief may discontinue such practice with respect to an individual Lieutenant or group of Lieutenants for disciplinary or budgetary reasons.

14.4 Upon termination of an employee, the uniforms and equipment issued will be surrendered by the employee in like condition as when issued, reasonable wear and tear expected.

14.5 In the event an employee is transferred or leaves the Department, he/she shall return all uniforms and equipment to the Department as a condition precedent to receipt of final pay.

ARTICLE XV - REPLACEMENT OF PERSONAL PROPERTY

15.1 Replacement of lost or damaged personal property shall normally be the responsibility of the employee. However, the Police Chief, in his discretion, may authorize replacement of (or reimbursement for) eyeglasses, contact lenses, or wrist watches which are damaged as a result of an employee being involved in an unavoidable physical altercation in the line of duty. The employee making the request for replacement of (or reimbursement for) damaged eyeglasses, contact lenses, or wrist watch must provide the Police Chief with a detailed report describing the incident from which the damage resulted and the cause of the damage. The employee must also provide the Police Chief with a certified estimate of the cost of repair or replacement of the damaged eyeglasses, contact lenses, or wrist watch. Reimbursement for damaged eyeglasses or contact lenses shall not exceed One Hundred and Fifty Dollars (\$150.00). Reimbursement for damaged wrist watches shall not exceed Fifty Dollars (\$50.00).

ARTICLE XVI - TRANSFERS AND REASSIGNMENTS

16.1 Transfers and reassignments shall be within the discretion of management.

ARTICLE XVII - MISCELLANEOUS LEAVE POLICIES

17.1 Jury Duty - Employees summoned to jury duty during their regular scheduled working hours shall receive an amount of compensation which will equal the difference between the employee's regular pay and the compensation paid for jury duty for the time actually spent on jury duty. As a condition precedent to receiving the aforesaid jury duty compensation, the employee must present his/her jury duty summons to his/her Captain immediately upon receipt and must notify his/her Captain immediately upon the termination of his/her jury duty.

17.2 Off-Duty Court Appearances - An off-duty employee who is subpoenaed to appear in court as a witness on a matter which arose from his/her performance of his/her official duties shall receive a minimum of three (3) hours pay at time and one-half his/her regular rate or, if greater, the actual time spent in court at time and one-half his/her regular rate. All fees paid to the employee shall be submitted to the employer.

17.3 Leave Without Pay for Personal Litigation - Leave without pay, may, at the discretion of the Police Chief, be granted for court attendance where the employee is the plaintiff, defendant, or a witness in civil or criminal litigation not arising from the performance of his/her official duties as an employee of the City. Where the employee is required to appear in court as a direct result of actions taken in his/her official capacity as an employee of the City, he/she shall be compensated in accordance with Departmental policy.

17.4 Military Leave - The provisions of Section 70-117, (Pay and status during military leave) City Code of Ordinances, are hereby incorporated by reference.
