Re: 0317-2270
NORTH STREET SIDEWALKS Extension

Dear Mr. Zimmerman,

Due to the current construction market, DB Civil Construction, LLC will not be able to hold the bid price for the North Street Sidewalks Project past the 60 days in which the bid documents require. Our subcontractor quotes and material quotes are good for only 60 days. Therefore, we have no choice on altering our unit bid price.

Sincerely,

Connie Baylor
