SUBJECT: Electronic Campaign Report Filing

Lisa Lewis, the Volusia County Supervisor of Elections has offered the opportunity to each of the Municipalities in the County to allow municipal candidates to file campaign reports electronically beginning January 2018.

Municipalities wishing to participate would have to draft and adopt an Ordinance.

All candidates for municipal office would utilize the Online Treasurer Reporting System maintained and operated by the Volusia County Supervisor of Elections Office. The City Clerk and the public will have prompt access to campaign finance reports electronically.

The Florida Legislature has significantly increased the frequency of filing of campaign finance reports requiring monthly reporting with additional reports due on the 25th, 11th, and 4th day prior to the election. Uniform electronic filing of reports by all municipal candidates will facilitate expanded public access to campaign finance information and conserve The City of Daytona Beach resources leading to greater efficiency.
