BACKGROUND: Ordinance amending Chapter 34 - Elections of the Daytona Beach Code of Ordinances establishing electronic campaign report filing through the Supervisor of Elections' Candidate Financial Reporting System. In lieu of paper reports, the City Clerk would forward a copy of the Appointment of Campaign Treasurer and Designation Of Campaign Depository For Candidates (DS-DE 9) as submitted, to the Volusia County Supervisor of Elections. The Candidate will then be contacted by the Volusia County Supervisor of Elections office to set up a "Candidate ID" and "Password" which is needed to log into the Supervisor of Elections' Candidate Financial Reporting System. The Candidate and their Campaign Treasurer will be assigned PIN numbers (Both will have to enter their PIN's in order to submit and print reports from the Candidate Financial Reporting System). The Supervisor of Elections would be the conduit and/or portal to provide a means to file electronically.

The City Clerk, as filing officer for The City of Daytona Beach Municipal Elections, would still be responsible for candidates and whether reports are filed and on time.

STAFF/BOARD RECOMMENDATION: City Clerk recommends adoption of the Ordinance
