Subject: Sole Source Letter

To Whom It May Concern

De Nora Water Technologies is the sole manufacturer of the ClorTec Onsite Hypochlorite Generation System, inclusive of any new equipment manufactured by De Nora which works in conjunction with and/or is compatible with the ClorTec product line.

- ClorTec is the only manufacturer of NSF/EPA Certified On-Site Hypochlorite Generation Systems (OSG). The EPA Environmental Testing Verification Program that provides this certification ensures our equipment meets and/or exceeds every claim made in our literature.
- ClorTec Equipment is manufactured in Sugar Land Texas. We provide all designs, PLC programming, PLC integration, Installation, start-up and commissioning and service with our own staff.

De Nora Water Technologies is the sole provider for parts, repair services, field services and technical support for ClorTec products manufactured by De Nora Water Technologies.

Sincerely,

A handwritten signature in blue ink that reads 'David McWalters'.

David McWalters
Field Service Manager- Americas
