Purchasing

Request:

Commission approval to be requested at next available City Commission Meeting.

To replace the sand filters at Cypress Pool that need to be repaired quickly.

Purpose:

The sand filters keep the water clean and remove debris. The water quality needs to stay at a higher quality for County regulations.

Considerations: To have the emergency repair completed as soon as possible. Two quotes have been received one by Keith Payne Pools for \$28,500. The second by East Coast Pools and Spas for \$34,501.57

Funding:

Available in 001-152220 City Parks Cultural under Maintenance and Repair and M & R Materials.

Recommendation:

To go with Keith Payne Pools for repair.
