## MEMORANDUM

**TO:** Betty Covington/Helen Riger

**FROM:** Joe Wooden  
Aquatics Supervisor

**DATE:** July 29, 2018

**SUBJECT: Cypress Pool Filtration System**

Upon initial examination of the filter, Joe Paul suggested that I reach out to pool companies that do maintenance for us at the Aquatic centers. I contacted both Blue Water Pools and CF Pools. Both companies stated that they would not do the job.

I then reached out to the following companies to provide a quote.

**East Coast Pools.** They gave a quote

**Pools N' Spas.** They never responded to my phone call.

**Blue Ribbon Pools.** No answer back from them when I called.

**Keith Payne Pools.** They gave an email quote

I heard that **Island Heights Pools** did the Hard Rock pool. I got a mobile number and called. They never responded back.
