Dear Ms. Pulaski:

We have received your request for the Department to consent to the annexation of the Department's property, referenced above. The Department's property serves various uses supporting limited access facilities of Interstate 95/SR9 and Interstate 4/SR 400 to include, but not limited to, borrow pit(s), water retention area(s), and limited access right of way, which properties are further described as Parcel ID #'s 6202-00-00-0020; 6202-00-00-0130; 5234-00-00-0373; and 6202-00-00-0140.

While the Department does not have the legal authority to consent to such annexation requests, this letter is to advise you that we have no objection to this annexation and will take no action to prohibit or otherwise block your attempt to annex this property.

If you have any questions, you may contact me at (386) 943-5340.

Sincerely,
