RE: FY 2018-2019 8” Skid Mounted Sound Attenuated Solids Handling Pump

Mr. Bill Rice,

Thank you for your interest in Thompson Pump & Manufacturing and the products and the services that we provide. We understand that this pump will be utilized by the City of Daytona Beach as a stationary, automatic by-pass pumping system at a waste water lift station located within the City of Daytona Beach. Per our recent correspondence, the stationary requirements are as follows:

<u>PS #</u>	<u>PS Location</u>	<u>Thompson Pump Requested</u>	<u>Duty Point Req.</u>	<u>Max Lift at Duty Point</u>
69	1810 Mason Ave	8JSCE-DJDS-45HC04-UC	2,000 GPM at 80’ TDH	20’

Please Note: Thompson Pump & Manufacturing Co. will pre-schedule the delivery of the pump directly to the lift station, and provide guidance to the installation contractor. Installation recommendations will be made based on all the project design specifications.

Per your request, we are providing 2018-2019 Florida Sheriffs Association Contract Package Specification 081 pricing for (1) Thompson Pump Model 8JSCE-DJDS-45HC04-UC, an 8” sound attenuated, solids handling, diesel powered, by-pass pump. The net price is derived from our 2018 Florida Sheriffs Association Contract Bid Award #FSA18-VEH16.0-Cab & Chassis Trucks & Other Fleet Equipment. This Florida based government contract enables the City of Daytona Beach to avoid the hassle and expense of purchasing this pump through the public bid process. You can order this unit by simply putting our FSA bid award number on your purchase order. Our FSA contract number is: FSA18-VEH16.0, Spec #081.

Should you require further information or have any questions, please contact me at 386-212-6999 or blee@thompsonpump.com.

Sincerely,

Brian Lee | Thompson Pump & Manufacturing Co., Inc
