

TERM SERVICES CONTRACT

THE PARTIES TO THIS CONTRACT are the City of Daytona Beach, a Florida municipal corporation (the "CITY"), and Utility Service Co., Inc., a Florida profit corporation ("CONTRACTOR").

In consideration of the mutual covenants herein contained, the Parties agree as follows:

Section 1. Scope of Services. CONTRACTOR will apply CONTRACTOR's proprietary "ice pigging" services and technology to clean CITY utility pipes from time to time, on an as-needed basis at the request of the CITY as referenced in Section 2.

CONTRACTOR will be solely responsible for all of costs CONTRACTOR incurs of providing CONTRACTOR's services and meeting its obligations herein.

Section 2. Services Must Be Authorized in Writing; Work Authorizations. This Contract, in and of itself, does not require the CONTRACTOR to perform any services or obligate the CITY to pay for any services rendered. No services will be provided under this Contract, and no payment obligation will arise for performance of services, except when specifically authorized by work authorization issued in accordance with the CITY's procurement policies. A work authorization may consist of a contract document signed by both the CITY and CONTRACTOR; or it may consist of CONTRACTOR's written quotation/proposal, identifying the work to be performed and including pricing for such work, and the CITY's written acceptance of such quotation or proposal. A work authorization may provide more detailed parameters for the services to be provided, such as deliverables, deadlines, etc, consistent with the provisions of this Contract. No work authorization will materially conflict with the terms and conditions of this Contract; and in case of a conflict between this Contract and a work authorization, the provision more favorable to the CITY will govern.

Section 3. Fees and Payments; Limitations.

(a) Each work authorization will set forth the amount to be paid to CONTRACTOR. Except as provided in Section 3(b) or 3(c), the amount paid will be a Daily Fee, and the Daily Fee will be determined based on the assumption that a full day's work by CONTRACTOR under normal circumstances will require CONTRACTOR to generate and use a truck load of ice slurry, where a truck load contains 2,700 gallons of ice slurry. The Daily Fee will be determined as follows:

(1) Where the work authorization provides for an estimated 8 or more days of work to be provided by CONTRACTOR, the Daily Fee will be \$10,000, based on a cost of \$3.70/gallon of ice slurry ($\$3.70/\text{gallon} \times 2,700 \text{ gallons} = \$10,000$).

(2) Where the work authorization provides for an estimated 7 or fewer days of work to be provided by CONTRACTOR, the Daily Fee will be \$12,000, based on a cost of \$4.44/gallon of ice slurry ($\$4.44/\text{gallon} \times 2,700 \text{ gallons} = \$12,000$). This will also be the Daily Fee used as to any optional portion of work provided in a work authorization, where the optional portion is estimated to require 7 or fewer days of work to be provided.

(b) The Daily Fees referenced above are premised on the assumption that CONTRACTOR may reasonably perform a day's work within a 12 hour period, which is also the maximum time that a truckload or ice slurry can typically be maintained before the slurry degrades. In recognition of this, a work authorization may provide that the lower Daily Fee provided for in Section 3(a)(1) above will be adjusted upward to the higher Daily Fee set forth in Section 3(a)(2), for any day of CONTRACTOR's work where, due to CITY's failure to provide sufficient personnel (as provided for in a work authorization) or CITY's inability to locate the water main where CONTRACTOR is to perform the work, more than 12 hours of work is required.

(c) A work authorization may provide for a fee lower than the Daily Fee referenced above. Where the basis for the fee in such work authorization is something other than the rates referenced above (e.g., \$3.70/gallon or \$4.44/gallon of ice slurry), the work authorization will include a breakdown for the fee used.

Section 4. Billing; Manner of Payment. In addition to requirements for payment established by applicable federal, state, or local law including the City Code, payment terms and conditions are as follows:

(a) No payment will be due for services performed until CONTRACTOR submits a proper invoice. CONTRACTOR must separately invoice the CITY for each work authorization. CONTRACTOR may invoice the CITY no more frequently than monthly, and no sooner than 30 days after the date of the work authorization.

(b) A work authorization may provide additional details as to the timing of payments for the work covered by the work authorization. For example, if a work authorization specifically provides for payment to be made in stages based upon completion of phases, tasks, or other discrete increment of the service to be provided, CONTRACTOR will invoice the CITY as these increments of service are completed, and in any event no more frequently than monthly. Alternatively, a work authorization may provide for payment to be made upon completion of the work and CONTRACTOR's invoice; and this will be the procedure used for invoicing and payment if the work authorization is silent as to such matters.

(c) In order to be considered proper, the invoice must include all information and documentation that the CITY may need to verify the accuracy of the invoice and the amount of payment due based on the specific requirements of this Contract. Where payment is for the cost incurred for certain reimbursables (such as for subcontractors or air travel), the invoice must include proof that CONTRACTOR has paid such costs.

(d) The CITY will within 30 days after receipt of an invoice notify the CONTRACTOR that the invoice is improper, or pay CONTRACTOR the amount due.

Section 5. Standard of Performance. CONTRACTOR's services will at a minimum meet the level care and skill ordinarily used by members of CONTRACTOR's profession performing the type of services provided herein within the State of Florida.

Section 6. Relationship between Parties. This Contract does not create an employee-employer relationship between the CITY and CONTRACTOR. CONTRACTOR is an independent contractor of the CITY and will be in control of the means and the method in which the requested work is performed. As an independent contractor, CONTRACTOR will be solely responsible for payment of all federal, state and local income tax, and self-employment taxes, arising from this Contract; and CONTRACTOR agrees to indemnify and hold harmless the CITY from any obligations relating to such taxes. The CITY will not make deductions from payments due, for such taxes, or for social security, unemployment insurance, worker's compensation, or other employment or payroll taxes. CONTRACTOR will also be responsible for the performance of CONTRACTOR's subcontractors.

Section 7. Documents. All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed by CONTRACTOR during the term of and in accordance with the provisions of this Contract will be the property of the CITY and delivered to the CITY upon demand or, if no demand has previously been made, upon completion of the particular task for which such materials were prepared, executed, or otherwise required.

Section 8. Public Records.

To the extent applicable, CONTRACTOR will comply with the requirements of Florida Statutes Chapter 119, regarding public records, which include the following:

(1) Keeping and maintaining public records that the CITY requires for performance of the service provided herein.

(2) Upon the request of the City Clerk of the CITY, (i) providing the City Clerk with a copy of requested public records or (ii) allowing inspection or copying of the records, within a reasonable time after receipt of the City Clerk's request, at a cost that does not exceed the cost provided in Ch. 119, Florida Statutes, or as otherwise provided by law.

(3) Ensuring that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law until completion of this Contract, and following such completion if CONTRACTOR fails to transfer such records to the CITY.

(4) Upon completion of this Contract, keep and maintain public records required by the CITY to perform the service. CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provide to the CITY upon request from the City Clerk, in a format that is compatible with the CITY's information technology systems.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MUST CONTACT THE CITY CLERK, WHOSE CONTACT INFORMATION IS AS FOLLOWS:

(Phone)	386 671-8023
(Email)	clerk@codb.us
(Address)	301 S. Ridgewood Avenue Daytona Beach, FL 32114

Section 9. Effective Date and Term; Renewal. The Effective Date of this Contract is the date on which the last Party signs it. The Term of this Contract is 3 years, commencing on the Effective Date. The CITY will have the option to renew this Contract for up to 2 additional Terms of 1 year each by providing CONTRACTOR written notice. Such notice must be provided at least 60 days before the end of the current Term, unless waived by CONTRACTOR.

Section 10. Termination of Contract.

(a) The CITY may by written notice to CONTRACTOR terminate this Contract, in whole or in part, at any time, either for the CITY's convenience or because of the failure of the CONTRACTOR to fulfill its contractual obligations.

(1) Before terminating for convenience, CITY must provide CONTRACTOR at least 30 day's advance notice of termination. This Contract will terminate automatically and without need for further notice upon the expiration of the notice period.

(2) Except as provided in Section 10(a)(3), before terminating due to CONTRACTOR's material breach of its contractual obligations, CITY must provide CONTRACTOR prior written notice, specifying the breach and demanding CONTRACTOR remedy the breach within 10 days of the notice, or within such longer period as may be reasonably required if the nature of the breach is that it cannot be remedied within 10 days of notice. This Contract will terminate automatically and without need for further notice if CONTRACTOR fails to remedy the material breach within the period described in the CITY's notice of breach.

(3) The CITY may terminate this Contract upon CONTRACTOR's breach without providing CONTRACTOR an opportunity to remedy the breach as referenced immediately above, if CONTRACTOR or any of CONTRACTOR'S personnel, in connection with the services or rights provided herein, commit a criminal act or engage in activity that poses a material risk of injury to persons or damage to property. Such termination will be effective immediately upon providing CONTRACTOR written notice.

(b) If the termination is for convenience, CONTRACTOR will be paid compensation for authorized services performed to the date of termination. If termination is due to CONTRACTOR's material breach, the CITY reserves all rights and remedies it may have under law due to such breach. Among other things, the CITY may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the CONTRACTOR will be liable to the CITY for all reasonable additional costs occasioned to the CITY thereby.

(c) If after notice of termination for the CONTRACTOR's failure to fulfill contractual obligations it is judicially determined by a court of law that the CONTRACTOR had not so failed, the termination will be

conclusively deemed to have been effected for the CITY's convenience. In such event, adjustment in payment to CONTRACTOR will be made as provided in Section 10(b) for a termination for convenience.

(d) The rights and remedies of CITY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.

If CONTRACTOR is providing services under an open work authorization at the time that this Contract expires or terminates for any reason other than CONTRACTOR's material breach, CONTRACTOR will continue to provide such services unless and until the CITY provides CONTRACTOR a notice suspending or terminating such services.

Section 11. Suspension of Services. The CITY may suspend CONTRACTOR's services if the notice of material breach provided pursuant to Section 10(a)(2) so directs. The CITY may also suspend CONTRACTOR's services in lieu of termination, under the conditions set forth in Section 10(a)(3), by providing CONTRACTOR written notice of suspension. CONTRACTOR will suspend activities immediately upon receipt thereof; and in such instance CONTRACTOR's rights to provide services referenced herein will also automatically be suspended for the period of such suspension.

Section 12. CONTRACTOR's Indemnification. In consideration of the CITY's payment of \$10.00, receipt of which is acknowledged by CONTRACTOR, CONTRACTOR will indemnify and hold harmless the CITY, including the CITY's officers, employees, and agents, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of CONTRACTOR, or CONTRACTOR's officers, employees, or agents, including subcontractors and other persons employed or used by CONTRACTOR in the performance of this Contract. This indemnification agreement is separate and apart from, and in no way limited by, any insurance provided pursuant to this agreement or otherwise.

Section 13. Negligence and Sovereign Immunity. The CITY will be responsible for its own negligent acts and omissions, including actions and omissions of CITY's officers and employees.

The CITY expressly retains all rights, benefits, and immunities of sovereign immunity under Florida law, including Section 768.28, Florida Statutes. Nothing in this Contract, or any work authorization, proposal or notice provided under this Contract will be deemed to be a waiver of sovereign immunity or of the limitations on liability of the CITY beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida legislature, and the cap on the amount and liability of the CITY for damages regardless of the number or nature of claims in tort, equity, or contract will not exceed the dollar amount set by the legislature for tort. Nothing in this Contract, or any work authorization, proposal, or notice provided pursuant to this Contract, will inure to the benefit of any third party for the purpose of allowing a claim against the CITY, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Section 14. CONTRACTOR's Insurance. CONTRACTOR will provide and maintain at CONTRACTOR's own expense, insurance of the kinds of coverage and in the amounts set forth in this Section. All such insurance will be primary and non-contributory with the CITY's own insurance. In the event any request for the performance of services presents exposures to the CITY not covered by the requirements set forth below, the CITY reserves the right to add insurance requirements that will cover such an exposure.

(a) Coverage and Amounts.

(1) Workers Compensation Insurance as required by Florida Statutes, Chapter 440, Workers' Compensation Insurance, for all employees of CONTRACTOR, employed at the site of the service or in any way connected with the work, which is the subject of this service. The insurance required by this provision will comply fully with the Florida Workers' Compensation Law and include Employers' Liability Insurance with limits of not less than \$500,000 per occurrence. Any associated or subsidiary company involved in the service must be named in the Workers' Compensation coverage.

(2) Liability Insurance, including (i) **Commercial General Liability coverage** for operations, independent contractors, products-completed operations, broad form property damage, and personal injury on an "occurrence" basis insuring CONTRACTOR and any other interests, including but not limited to any associated or subsidiary companies involved in the work; and (ii) **Automobile Liability Insurance**, which will insure claims for damages because of bodily injury or death of any person or property

damage arising out of the ownership, maintenance or use of any motor vehicle used by the CONTRACTOR in the performance of this Contract.

THE COMMERCIAL GENERAL LIABILITY INSURANCE POLICY WILL NAME THE CITY AS AN ADDITIONAL INSURED. CONTRACTOR's Commercial General Liability insurance policy will provide coverage to CONTRACTOR, and CITY when required to be named as an additional insured either by endorsement or pursuant to a blanket additional insured endorsement, for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01) without the attachment of any endorsements excluding or limiting coverage for Products/Completed Operations, Independent Contractors, Property of CITY in CONTRACTOR's Care, Custody or Control or Property of CITY on which contracted operations are being performed, Explosion, Collapse or Underground hazards (XCU Coverage, Contractual Liability or Separation of Insureds). When CITY is added as additional insured by endorsement, ISO Endorsements CG 20 10 and CG 20 37 or their equivalent will be used to provide such Additional Insured status.

The limit of liability for each policy will be a combined single limit for bodily injury and property damage of no less than \$1,000,000 per occurrence. If insurance is provided with a general aggregate, then the aggregate will be in an amount of no less than \$2,000,000. The Risk Manager for the CITY may authorize lower liability limits for the automobile policy only, at the Risk Manager's sole discretion.

Unless specifically waived hereafter in writing by the Risk Manager, CONTRACTOR agrees that the insurer will waive its rights of subrogation, if any, against the CITY on each of the foregoing types of required insurance coverage.

(b) Proof of Insurance. CONTRACTOR will furnish proof of insurance acceptable to the CITY prior to or at the time of execution of this Contract. CONTRACTOR will not commence work until all proof of such insurance has been filed with and approved by the CITY. CONTRACTOR will furnish evidence of all required insurance in the form of certificates of insurance which will clearly outline all hazards covered as itemized above, the amounts of insurance applicable to each hazard, and the expiration dates.

If requested by the CITY, CONTRACTOR will furnish copies of the insurance contracts to support the certificates of insurance and the copies of said insurance must be acceptable to the CITY.

(c) Cancellation; Replacement Required. CONTRACTOR will file replacement certificates 30 days prior to expiration or termination of the required insurance occurring prior to the acceptance of the work by the CITY. If a required policy is canceled without CONTRACTOR's prior knowledge CONTRACTOR will immediately notify the CITY immediately upon becoming aware that a required insurance coverage has been canceled for any reason, and promptly replace the canceled policy. The CITY expressly reserves the right to replace the canceled policy at CONTRACTOR's expense if CONTRACTOR fails to do so.

(d) Termination of Insurance. CONTRACTOR may not cancel the insurance required by this Contract until the work is completed, accepted by the CITY and CONTRACTOR has received written notification from the Risk Management Division of the CITY that CONTRACTOR may cancel the insurance required by this Contract and the date upon which the insurance may be canceled. The Risk Management Division of the CITY will provide such written notification at the request of CONTRACTOR if the request is made no earlier than two weeks before the work is to be completed.

(e) Liabilities Unaffected. CONTRACTOR's liabilities under this Contract will survive and not be terminated, reduced or otherwise limited by any expiration or termination of insurance coverages. Similarly, CONTRACTOR's liabilities under this Contract will not be limited to the extent of the existence of any exclusions or limitations in insurance coverages, or by CONTRACTOR's failure to obtain insurance coverage.

CONTRACTOR will not be relieved from responsibility to provide required insurance by any failure of the CITY to demand such coverage, or by CITY's approval of a policy submitted by CONTRACTOR that does not meet the requirements of this Contract.

Section 14.A. CITY'S INSURANCE. The CITY will not be required to obtain commercial liability insurance under this Contract, as the CITY is insured for general liability, automobile liability, and worker's compensation insurance claims under a self-insurance program authorized by Florida law and CITY

ordinance. The program will respond to general liability and automobile liability losses arising directly or indirectly from the negligent acts of CITY officers or employees, subject to the limitations referenced in Section 13. This provision will control in case of conflicts with any work authorization.

Section 15. Notice. Unless otherwise expressly agreed herein, all notices, requests, and demands to or upon the Parties will be delivered by hand, delivered by a courier service, provided to a nationally recognized delivery service for overnight delivery, transmitted to a receiving fax machine followed by hard copy within two days, or by U.S. mail, postage prepaid by registered or certified mail, return receipt requested, to the addresses set forth herein:

To the CITY:

125 Basin St., Suite 204
Daytona Beach, FL 32114
Fax: 386-671-3545

To CONTRACTOR:
Utility Service Co., Inc.
Attn: Legal Dept
535 Courtney Hodges Boulevard
Perry, GA 31069
Fax: 478-987-2529

provided, however, that either Party may change the person or address designated for receipt of the Party's notices, by providing written notice to the other Party.

Section 16. Personnel. CONTRACTOR represents that CONTRACTOR has or will secure at CONTRACTOR's own expense, all personnel required in performing the services under this Contract. Such personnel will not be employees of or have any contractual relationship with the CITY.

All personnel engaged in the work will be fully qualified and will be authorized under state and local law to perform such services.

Section 17. CITY's Responsibilities. The CITY agrees to make available for review and use by the CONTRACTOR, reports, studies, and data relating to the services required. The CITY will establish a project manager to meet periodically with the CONTRACTOR to facilitate coordination and ensure expeditious review of work product.

Section 18. Limitation on Waivers. Neither the CITY's review, approval, or acceptance of, or payment for, any of the services provided by CONTRACTOR, will be construed to operate as a waiver of the CITY's rights under this Contract. CONTRACTOR will be and always remain liable to the CITY in accordance with applicable law for any and all damages to the CITY caused by the CONTRACTOR's negligent or wrongful provision of any of the services furnished under this Contract.

Failure of the CITY to exercise any right or option arising out of a breach of this Contract will not be deemed a waiver of any right or option with respect to any subsequent or different breach, or the continuance of any existing breach. Furthermore, the failure of the CITY at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein will not be construed as a waiver or relinquishment of the CITY's right to insist upon strict performance of the same condition, promise, agreement or understanding at a future time.

Section 19. Dispute Resolution. If a dispute exists concerning this Contract, the Parties agree to use the following procedure prior to pursuing any judicial remedies.

(a) Negotiations. A Party will request in writing that a meeting be held between representatives of each Party within 14 calendar days of the request or such later date that the Parties may agree to. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization. The purpose of this meeting is to negotiate in the matters constituting the dispute in good faith. The Parties may mutually agree in writing to waive this step and proceed directly to mediation as described below.

(b) Non-Binding Mediation. Mediation is a forum in which an impartial person, the mediator, facilitates communication between parties to promote reconciliation, settlement, or understanding among them. Within 30 days after the procedure described in Subsection (a) proves unsuccessful or the Parties mutually waive the subsection (a) procedure, the Parties will submit to a non-binding mediation. The mediation, at a minimum, will provide for (i) conducting an on-site investigation, if appropriate, by the

mediator for fact gathering purposes, (ii) a meeting of all Parties for the exchange of points of view and (iii) separate meetings between the mediator and each Party to the dispute for the formulation of resolution alternatives. The Parties will select a mediator trained in mediation skills and certified to mediate by the Florida Bar, to assist with resolution of the dispute. The Parties will act in good faith in the selection of the mediator and give consideration to qualified individuals nominated to act as mediator. Nothing in this Contract prevents the Parties from relying on the skills of a person who also is trained in the subject matter of the dispute or a contract interpretation expert. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization.

If the Parties fail to reach a resolution of the dispute through mediation, then the Parties are released to pursue any judicial remedies available to them.

Section 20. General Terms and Conditions.

(a) **Amendments.** Except as otherwise provided herein, no change or modification of this Contract will be valid unless the same is in writing and signed by both Parties.

(b) **Assignments and Subcontracting.** No assignment or subcontracting will be permitted without the CITY's written approval.

(c) **Compliance with Laws and Regulations.** In providing all services pursuant to this Contract, CONTRACTOR will abide by all statutes, ordinances, rules, and regulations pertaining to, or regulating the provisions of, such services including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations will constitute a material breach of this Contract and will entitle the CITY to terminate this Contract immediately upon delivery of written notice of termination to the CONTRACTOR.

(d) **Truth in Negotiations Certificate.** CONTRACTOR hereby certifies that the wages and other factual unit costs supporting the compensation herein are accurate, complete, and current at the time of this Contract.

(e) **No Third Party Beneficiaries.** There are no third party beneficiaries of CONTRACTOR's services under this Contract.

(f) **Contingency Fee.** CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Contract.

(g) **Nondiscrimination.** CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, sex, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their sex, race, creed, color, or national origin. Further, CONTRACTOR agrees to comply with all local, state, and federal laws and ordinances regarding discrimination in employment against any individual on the basis of race, color, religion, sex, national origin, physical or mental impairment, or age. In particular, CONTRACTOR agrees to comply with the provisions of Title 7 of the Civil Rights Act of 1964, as amended, and applicable executive orders including, but not limited to, Executive Order No. 11246.

(h) **Principles in Construing Contract.** This Contract will be governed by and construed in accordance with the laws of the State of Florida. Captions and paragraph headings used herein are for convenience only, are not a part of this Contract and will not be deemed to limit or alter any provisions hereof or to be relevant in construing this Contract. The use of any gender herein will be deemed to be or include the other genders, and the use of the singular herein will be deemed to be or include the plural (and vice versa), wherever appropriate. If any word, phrase, clause, sentence or provision of the Contract, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, invalid or unenforceable, that finding will only effect such word, phrase, clause, sentence or provision, and such finding will not affect the remaining portions of this Contract; this being the intent of the Parties in entering into the Contract; and all provisions of the Contract are declared to be severable for this purpose.

(i) **Venue.** The exclusive venue for any litigation arising out of this Contract will be Volusia County, Florida if in state court, or the U.S. District Court, Middle District of Florida if in federal court.

(j) **Litigation Costs.** Except where specifically provided herein, in case of litigation between the Parties concerning this Contract, each party will bear all of its litigation costs, including attorney's fees.

Whenever this Contract imposes a deadline for performing upon a Party, the deadline will be extended by one day for each day that a Force Majeure event prevents the Party from performing; provided, however, that the Party charged with performing and claiming delay due to a Force Majeure event will promptly notify the other Party of the Event and will use its best efforts to minimize any resulting delay.

(l) **Jury Trial Waived.** THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS CONTRACT, OR ANY DEALINGS BETWEEN THE PARTIES. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY DISPUTES BETWEEN THE PARTIES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER, INCLUDING WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS.

(m) **Authority to Bind CONTRACTOR.** The undersigned representative of CONTRACTOR represents and warrants the he or she is fully authorized to bind CONTRACTOR to the terms and conditions of this Contract.

(n) **Integration.** This Contract represents the entire agreement of the parties with respect to the subject matter hereof.
